Boombox 3 Portable Bluetooth Speaker (black)

JBL Boombox 3 Portable Bluetooth Speaker (Black)(Squad) A modern take on a classic design, the black Boombox 3 Portable Bluetooth Speaker from JBL lets you easily take your music anywhere. Carry it with its sturdy metal handle and orange silicone grips to the backyard, a friend's house, or the beach. Thanks to its twin side-caps and water/dustproof fabric, the Boombox 3 can handle the water and sand. Your streaming audio is made to sound clear and dynamic with booming bass, thanks to JBL's Original Pro Sound and 3-way 136W (180W via AC) speaker system. Additional features like dual device pairing, USB charging, and more are sure to make you and the Boombox 3 the life of the party.
