Manufacturer: Harman Kardon

Description

Omni Bar+ Virtual 5.1-Channel Soundbar System from **Harman Kardon** connects to your HDTV and lets you easily set up a wireless HD music system in your home. It also adds access to music services such as Spotify Connect and Chromecast built-in. The soundbar works with other Omni+ speakers to set up a multi-room wireless music system.

- HD audio for your television
- Wireless HD music in every room
- Play Spotify through your speakers, using the Spotify app as a remote
- Stream your favorite music from your phone to your speakers with Chromecast built-in
- 24-bit/192 kHz HD audio streaming with digital and analog connectivity
- Stream all your music over HDMI, Bluetooth, Wi-Fi, optical, and aux input

Dual-band Wi-Fi connection and 802.11ac network support

Simple setup and control with the free Harman Kardon Controller app

Multi-channel surround sound with virtual 5.1 support
